Message Control

Above you can see the message control toolbar and tab navigation. Using the toolbar at the top, you can export delivery reports, messages sent and API reports. Simply click the appropriate button and select the month or dates you would like to export and the email address

you would like the report to be sent to - within minutes hey presto your report! The tab navigation lets you toggle your view between, scheduled messages, sent messages, and received messages.

Delivery reports and sent messages

(just click on Message Control)

The screenshot shows the 'Request Report' dialog box overlaid on the 'Sent Messages' tab of the FastSMS interface. The dialog box is titled 'Request Report' and contains a form with the following elements:

- Email Address:** A text input field with a placeholder 'Email address to send the report'.
- Buttons:** 'Close' and 'OK' buttons at the bottom right of the dialog.

The background interface shows the 'Sent Messages' tab selected, with a search bar and a table of messages. The table has the following columns: Date, From, Message, #, Report, and Download.

Date	From	Message	#	Report	Download
Monday, April 1, 2019 @ 11:16	447800000000	A message	10	100%	Report

When you select the sent messages tab, a list of all your messages will appear with a quick overview of their details. If you click 'Report' on a selected message campaign, you will be able to download the

message campaigns full analytics. Simply enter the email address you want the report to be sent to.
